Windows 8 Keyboard Shortcuts:

- **WINKEY + C:** will bring up the Charms bar
- **WINKEY + I:** Settings
- **WINKEY + Q:** Search the current app or Search Apps
- **WINKEY + W:** Search Settings (and control panels)
- **WINKEY + F:** Search Files
- **WINKEY + H:** Share
- **WINKEY:** Start (acts as a toggle between Start screen and the current experience)
- **WINKEY + K:** Devices
- **WINKEY + P:** will bring up Presentation Mode (second screen)
- **WINKEY + Z:** open the app bar
- **WINKEY + X**: **To open the power user menu**
- **WINKEY + L** will lock the PC

Magnifier

- **WINKEY + =** turns on Magnifier, or, if it's already on, zooms in the view.
- **WINKEY + -** can be used to zoom out the view
- **CTRL + ALT + D:** dock Magnifier
- **CTRL + ALT + L** will place Magnifier in Lens mode
- **CTRL + ALT + I** will invert the colors in the Magnifier display (it's a toggle)
- **ESC** will exit Magnifier.

More:

- **WINKEY + R:** run
- **WINKEY + D:** Switch to the (classic) Windows desktop and toggle Show Desktop
- **WINKEY + M:** clear desktop

You should memorize these three Windows 8 Keyboard Shortcuts:

- **WINKEY + C:** will bring up the Charms bar
- **WINKEY + I:** Settings
- **WINKEY + X**: **To open the power user menu**
